

What is Horns a Plenty Christmas?

The Fox Valley Horn Club and its director, Don Krause, host Horns a Plenty Christmas each year on the Saturday before Christmas. Over 80 horn players come together from all over the state of Wisconsin (and some even further) to perform Christmas carols for the Appleton and Fox Valley communities. In conjunction with the event, featured guest artists perform solos and lead master classes for the participants. In addition, Horns a Plenty Christmas offers music scholarships to horn players through attendance fees, book and souvenir sales, and donations. Now you can host your own event!
